

Brent Furtney, Board Member - Brent is a new Board member for HPC and is excited to join in the centre's journey, as it builds relationships across the region to strengthen mental health support and awareness for youth, families and local communities. Brent is passionate about increased awareness and support for services that enable individuals and families to function, participate and develop in society. Brent will look to use his experience in governance, corporate services and government relations to support HPC's board. He earned both his honors BA and diploma option in legal studies from Wilfrid Laurier University. Brent currently serves the Owners and staff of Libro Credit Union as the Corporate Services Supervisor, and has been with the company for 5 years. Ensuring that HPC remains committed to being the lead agency in youth mental health services for Huron-Perth is a key commitment from Brent, and he looks forward to building more proactive and positive stakeholder relationships across our service regions.
