

Brent Furtney, Vice President – Brent has been a part of the HPC Board now for two years and is excited to continue strengthening the position of the centre across Huron Perth. Brent is passionate about mental health awareness and support services and wants to ensure that local communities continue to have excellent care and opportunity to connect in times of need. His experience include governance, purchasing, policy, strategic thinking and government relations. He earned both his honors BA and legal studies diploma option from Wilfrid Laurier University and is in the process of applying for his Masters. Brent has served the Owners and stakeholders of Libro Credit Union for six years and is currently the Corporate Services Manager. He is excited about future partnerships and opportunities for the centre, its staff members and those who use the services provided. Currently he serves as Vice President and Chair of the Governance Committee.
