

Nadia Martin, Board Member – Nadia grew up in Stratford and is a real estate agent and local small business owner. After obtaining a Biochemistry Degree from the University of Waterloo, Nadia travelled around North America and Europe with her husband as he played professional hockey; it was during this time they had their 3 children. In raising their 3 kids, she developed a passion for families and children which led her to joining our board of directors. She is a part owner of the local fitness facility, CrossFit Stratford which revolves around a wonderful community. She believes that “it takes a village to raise a child” and has a general interest in providing resources for anyone in need. Nadia is eager to be able to help support the Centre and makes services accessible to all.
