

Linda Kelly, Board of Director – Linda has been heavily involved in her and her husband Joe’s family business for over 20 years. Together they have two grown children. Linda has learnt that there are many times in business when you need to reach out to other people or professionals for help. Likewise there are times when you need to reach out for personal support or professional help. Linda believes in the need to support children and families. The Huron Perth Centre can give children and families the skills they need to thrive and it makes good sense to give help prior to being an adult. Therefore Linda felt that the Huron Perth Centre was a good place to volunteer.
