

John Herbert, Board Member - John is a new member of the board and brings a number of perspectives and skills including: educator and parent with skills in management and technology to name but a few. He is Principal at St. Marys DCVI; and a former Elementary and Secondary Math Teacher. John is a strong advocate for children's mental health and reducing the stigma. John is always a friendly voice in the crowd and he loves to challenge the board and management to increase data driven decision-making.
